"Grow For Me"

I've given you sunshine,

I've given you dirt

You've given me nothin'

But heartache and hurt

I'm begging you sweetly

I'm down on my knees

Oh Please, Grow for me

I've given you plant food

And water to sip

I've given you pot-ash

You've given me ...zip

Oh god how I mist you

Oh pod how you tease

Now please, Grow for me

I've given you southern exposure

To get you to thrive

I've pinched you back hard like I'm s'posed to

You're barely alive

I've tried you at levels of moisture

From Desert to mud

I've given you grow lights and mineral supplements

What do you want from me, Blood?
