Audrey Audition

“Suddenly Seymour”

Nobody ever, treated me kindly

Daddy left early, Mama was poor

I’d meet a man and I’d follow him blindly

He’d snap his fingers

Me, I’d say sure

Suddenly Seymour

He purified me

Suddenly Seymour

Showed me I can

Learn how to be more

The girl that’s inside me

With sweet understanding

With sweet understanding

With sweet understanding

Seymour’s your man
